

Understanding Autism

Level 2 Certificate
Distance Learning

Details:

Develop your understanding of autism and gain a wider knowledge of how to support with autistic individuals, including behaviour and communication.

Opportunities to progress into employment in various sectors where an understanding of autism and a knowledge of support is required.

Units covered:

- ⇒ Introduction to Autism
- ⇒ Using a person-centred approach to support individuals with autism
- ⇒ Communication and social interaction in individuals with autism
- ⇒ Sensory processing, perception and cognition in individuals with autism
- ⇒ Supporting positive behaviour in individuals with autism
- ⇒ Supporting individuals with autism to live healthy and fulfilled lives

Assessment:

Learners will complete a series of assessment questions throughout the course with feedback from the tutor/assessor. There will be regular submission dates for work. This is done via a professional learning platform, and you complete it at a time that suits you, with the support of an online tutor.
